

Wnysorc meeting Oct 21 2001.- agenda

send email to ve3kuc ve3cm@rac for McGregor for coordination ok
Corrections to list:

146.685 ve3zap moved from Shelbourne to Caledon?

146.895 ve3rae Waterdown moved to Hamilton Mountain (on the air)

147.240 ve3nrs tone to be added

Casey 147.718 ve3mot not coordinated

224.800 ve3plf to be added

ve3ttt check to see ownership of machine and also ve3sue

ve3whr 4443.925 Woodstock – check tone and sponsor?

444.250 ve3uhr new sponsor ve3von

nmn to be purged possibly. Send letter to Bill Haight and ask what his intentions are(Tom to do that)

get representative from RAC to come to next wnysorc meeting to support council in our efforts

letter to Rac for linking frequencies regarding lack or control of these frequencies. Irlp is using these up and we need to know about 440 band gps dgps synchronizing. They may be considered secondary users???

443.800 ve3vop check to see if these guys have repeater on this pair-not yet coordinated. Give another suggestion for him of another pair.

Va3zh has not returned request for info regarding 444.725 or possibly 444.625 Orangeville

Check ve3trw ve3ome 145.45 in London for upgrade information on cfpl.

Send letters for inactive pairs and then if no response remove from list for purging purposes.

Put list on website of coordinated with disclaimer regarding repeaters that are listed. Do not put uncoordinated ones on web. Also ask for \$10 to support councils work for postage etc. If not on list it makes people take the time to forward update information. Calendar year Jan to Dec. pdf format

Make a button on website to leave name callsign repeater e-mail info for register update or initial registration for wnysorc. Updated to be done by qualified people including club ownership repeaters with trustees

(make sure a button is placed for e-mail info for meetings, general inquiries etc)

contact ve3ayr to place councils web page in printed matter regarding booklet and foldout map of repeater locations and freq.

Club websites to get links to WNYSORC website
Send letters to clubs about wnysorc in regards to info update

Jim ve3wa 23 Shetland Cres L2P 3P6 905-321-0726 – update records with this adr.
